Instructor, Lecturer, or Senior Lecturer of Computer Engineering or Computer Science
Computer Science and Engineering
ME9806

The Department of Computer Science and Engineering (CSE) at South Dakota Mines invites applications for a full-time Instructor, Lecturer, or Senior Lecturer of Computer Engineering or Computer Science with the anticipated start date of Fall Semester 2021. This is a full-time, 9-month, non-tenure-track, term position with benefits. Preference will be given to candidates with interest and experience in teaching a broad range of undergraduate Computer Engineering or Computer Science courses.

An earned M.S. degree in Computer Engineering, Computer Science, Electrical Engineering, or a closely related field is required; a Ph.D. in one of these fields is preferred. The ideal candidates will have practical industry experience in Computer Engineering, Computer Science or a closely related field and prior teaching experience at the university or college level in Computer Engineering or Computer Science. Expectations will include teaching courses, supervising student design projects, advising students, and department service. As part of the online application process, you will be asked to attach a cover letter, resume, and the name, address, phone number, and email address of three professional references.

The Computer Science and Engineering Department offers two ABET-accredited undergraduate degrees: B.S. in Computer Science and B.S. in Computer Engineering, and a Master of Science in Computer Science and Engineering. The department provides an outstanding innovative learning environment for students. Faculty members are also actively involved in a variety of interdisciplinary teaching and research projects across the campus. More information is available at the department website, www.sdsmt.edu/CSE.

Established in 1885, the South Dakota School of Mines & Technology is a science and engineering research university located in Rapid City, South Dakota. South Dakota Mines is a public university offering bachelor's, master's, and doctoral degrees in engineering and science.

Known for our academic rigor, we maintain an average class size of 24. Our students benefit from immersive learning experiences including undergraduate research, co-ops/internships, and numerous nationally competitive engineering teams. Our Research Programs are concentrated in four areas: energy and environment; materials and manufacturing; STEM education; and underground science and engineering.

South Dakota Mines is a growing university that enrolls around 2,550 students from 46 states and 41 countries and is ranked as the best engineering school for return on investment out of 302 similar institutions across the United States. The SD Mines placement rate for recent graduates is 97 percent.

Rapid City is the state's second largest city (with an urban population of 75,443 and metropolitan population of 148,749) and is nestled at the foot of the beautiful Black Hills. Mount Rushmore, Badlands National Park and Crazy Horse Memorial are all within an hour of the University. Rapid City enjoys a relatively mild climate and offers year-round recreational opportunities, including, hiking, bicycling, skiing, snowboarding, fishing, and hunting, to name a few. For more information about South Dakota Mines and Rapid City, visit: http://sdsmt.edu/The-Rushmore-Region/.
South Dakota Mines is committed to recruiting and retaining a diverse workforce and offers an excellent comprehensive benefits package including paid medical and life insurance for our employees, as well as medical, dental and vision coverage for spouses and dependents; retirement plans; paid holidays; and a generous vacation and sick day allowance. Individuals interested in this position must apply online at http://www.sdsmt.edu/employment. Human Resources can provide accommodation to the online application process and may be reached at (605) 394-1203. Review of applications will begin January 20, 2021 and will continue until the position is filled. Employment is contingent upon completion of a satisfactory background investigation.

South Dakota Mines does not discriminate on the basis of sex, race, color, creed, national origin, ancestry, citizenship, gender, gender identification, transgender, sexual orientation, religion, age, disability, genetic information or veteran status in employment or the provision of service.
