COMPUTER SCIENCE AT KANSAS STATE UNIVERSITY

Research
Our Four Core Focus Areas:
- Cybersecurity
- Cyberphysical Systems
- High Assurance Software
- Data Science

Students
Degrees Awarded:
- 98 Undergraduates
- 23 Masters
- 2 PhD

Number of Students:
- 588 Undergraduates
- 38 Masters
- 43 PhD

Other Facts:
- 83.9% Freshman to Sophomore retention rate
- 400% 5 year growth in female students
- 97% 5 year Growth in Students
- 26% 5 year growth in PhD students

Expenditures:
- $2.3M

Newly Awarded Grants:
- $5.7M

Faculty
Stats:
- 16 Tenure Track
- 5 Instructional
- 2 Endowed Positions
- 7 NSF Career Awards
- 1 ONR Young Investigator Award

Keystone Scholars Award:
- Doina Caragea
- Cornelia Caragea
- George Amariucai
- Arslan Munir

New Endowed Positions:
- Cornelia Caragea
  Lloyd T. Smith Creativity in Engineering Chair
- Pavithra Prabhakar
  Peggy and Gary Edwards Chair in Engineering

State-of-the-Art Facilities
New Facilities:
- 2016: New buildings, labs, classrooms, and offices
- 2017: New Data Science Center
- 2018: New robotics Laboratory
