SOCIO 550
TECHNOCRIME, SECURITY, AND SOCIETY
Fall 2019
MWF 11:30am—12:20pm
Class #: 16684

* Individual results may vary.

Course Description
This course critically examines the social and cultural issues surrounding technology, crime, deviance, and crime control. Students will explore issues surrounding hackers, digital activists, online fraudsters, technosecurity agents, and other actors and subcultures from sociological and criminological perspectives.
