

IQVIA is Hiring!

Currently recruiting top talent in Durham, NC & Overland Park, KS!

Award winning and innovative, we will give you access to cutting-edge in-house technology, allowing you to work on global projects and across therapeutic areas. Statistical Programmers & Biostatisticians will also be working on programming from scratch with the ability to create new code, discover different opportunities and – unusually for a non-clinical role – make a real impact on patient health.

AVAILABLE ROLES

- **Biostatistician Intern (Year Long)**
- **Statistical Programmer Summer Intern**
- **Biostatistician - Early Talent**
- **Statistical Programmer - Early Talent**

IQVIA™ is The Human Data Science Company™, focused on using data and science to help healthcare clients find better solutions for their patients. Formed through the merger of IMS Health and Quintiles, IQVIA offers a broad range of solutions that harness advances in healthcare information, technology, analytics and human ingenuity to drive healthcare forward.

Whatever your career goals, we are here to ensure you get there!
